

## **Classified holiday apartments – twinkling stars for Swiss Tourism.**

### **Stars – for quality representation and comparability.**

Holiday apartments also play an important role in the overnight stop-offs that Swiss Tourism has to offer. Internationally recognised stars are your guarantee of assured quality, and furthermore, an aid when selecting your own personal style of comfort. Thanks to the classification system of the Swiss Tourism Federation, which is implemented throughout Switzerland, it's easier to make a choice.

### **Stars – and their significance**

With classified holiday apartments, you can rely on the services and quality as defined (information, services offered etc.).

#### **Luxury apartments**

Outstanding and impeccable infrastructures in all establishments, combined with ample space. Stylish and luxurious furnishings plus all the technical comforts you could possibly wish for. Elegance at its best proffering an overall ambiance of luxury and exclusivity.

#### **First-class apartments**

Infrastructures to satisfy above-average requirements. Carefully chosen and nurtured furnishings of supreme quality, offering a maximum in comfort. Truly first-class apartments with tastefully matching accessories and materials that proffer an overall impression of harmony and joy.

#### **Middle-class apartments**

Attractive infrastructures with all the usual home comforts. Respectable, clean and orderly furnishings, offering a good level of comfort and an overall homely atmosphere.

#### **Standard apartments**

Satisfactory infrastructures for carefree holidays. Methodical furnishings offering adequate comfort. Functionality and stability are the keys to these standard apartments!

#### **Simple apartments**

Infrastructures for the simple life plus all the essential necessities. Simple yet adequate furnishings, with regular comforts, in a convenient and ready to use setting.
